INNOVATIVE SOLUTIONS THAT WORK

Fiber-CORE® handle tools surpass any shovel handle on the market today!

These exceptional tools from Jim Cox Sales provide the following benefits:

- Molded polypropylene eliminates fiberglass splinters
- High dielectric strength for safety from electrical shock
- Will not conduct heat or cold – for comfortable handling
- Resists moisture and corrosion
- Eliminate lost productivity due to broken handles

Internal Fiber-Core reinforcing insert provides extra strength and rigidity at the point of greatest stress

One-piece D-Handle for added strength
